NOTICE TO OUR SUBSCRIBERS

RECEIVED

It is with regret that we announce that Courthouse Libraries BC's two publications, the *BC Legislative Digest* and the *Canada Legislative Index*, are ceasing publication. BCLD began in 1979 and CLI in 1980. They grew out of a need for a timely method of tracking BC and federal legislative changes and were embraced by the local legal/library community as well as those in other Canadian jurisdictions.

We would like to thank all of our subscribers over the years, who have been faithful supporters. We would also like to thank the many library staff members who diligently worked on the two publications and who took pride in their usefulness, accuracy and overall excellence.

There will be one additional release for each publication, with a cutoff date of June 30th. We will be issuing a refund to our subscribers, pro-rated on a monthly basis.

Please direct any questions regarding:

- the final release: Susan Caird 604.660.0181 or Thea Schmidt 604.660.2841
- the refund: Bev Cook 604.660.0180

Thank you.
